LOMA Learn Online & RegEd Expand Online Educational Resources for Financial Services Industry

Las Vegas, Nevada—May 24 2004—LOMA, the premier provider for education and training for the insurance and financial services industry, is pleased to announce that LOMALearn Online has incorporated courses provided by RegEd as part of its comprehensive online learning solution.

"The financial services industry is changing more rapidly than ever," stated Dennis Goodwin, FLMI, ACS, Second Vice President for LOMA's e-Learning division. "The goal of LOMALearn Online is to provide the most comprehensive education site for financial services professionals. Adding the RegEd libraries is another important step in making LOMALearn the complete training solution for our customers."

Using the latest advances in distance learning technology, LOMALearn Online provides insurance and financial services professionals with more than 100 courses covering life and health insurance, property and casualty insurance, retirement planning, money management, and securities and suitability. Online delivery provides busy professionals with greater flexibility for professional development and is a convenient way for agents and brokers to maintain state required licenses by earning CE credit online. For more details and to access a complete course catalog, visit www.lomalearn.com.
